

# FUNDRAISE WITH ASJP

Join with other young adults to celebrate Adele Days (January 10 and June 10—the anniversaries of her death and birth). These days are a chance to celebrate and be inspired by this young woman who founded the Marianist Sisters and who lived a spirit of joy, friendship and commitment to service with all God's people.

This January 10<sup>th</sup>, get together with your community for Adele day and help us keep immersions going by giving back to help others have the ASJP experience.

**WHAT CAN I DO?** Schedule a day when your community can get together. Ask everyone to consider bringing \$20 or any amount they can contribute. Have fun when you're together and cherish each other's presence. Need ideas for fun stuff to do? You can have a day of service or reflection, a letter writing party to those in power, a game night, or a pot-luck social!

**TAKE PICTURES** Don't forget to take pictures and email them to [adelesjp@gmail.com](mailto:adelesjp@gmail.com) or upload them to our Facebook page. We will put them in our next newsletter so everyone can see what each city did as a community to help ASJP.

**How your contributions help:**

Airfare for an extender \_\_\_\_\_ \$400

One meal for all participants \_\_\_\_\_ \$80

Supplies for the weekend \_\_\_\_\_ \$100
