

# THANK YOU

Thank you to all the various communities who got together in January to celebrate *Adele Day*. From Ohio to North Carolina all the way to Texas, communities came together and raised hundreds of dollars for our next ASJP weekend in Indianapolis. **THANK YOU!!!!!!!!!!!!**

Let's get together, again, **JUNE 10<sup>th</sup>** to celebrate the last Adele day of the year and to wish Sr Adele a **HAPPY BIRTHDAY!**

**HOW YOU CAN HELP:** Schedule a day when your community can get together. Write a letter to ASJP weekend participants about your social justice walk/experience. Leave a comment on our Facebook page. Take a page from our binder and translate it to Spanish or French. Email us your suggestions/ideas for ASJP. Make a donation via FB to support our presentation at the Lay Marianist Continental Assembly in July. Keep it Marianist and have food!

## TAKE PICTURES

Don't forget to take pictures and email them to [adelesjp@gmail.com](mailto:adelesjp@gmail.com) or upload them to our Facebook page. We will put them in our next newsletter so everyone can see what each city did as a community to help ASJP.
